Subject: DEI - request for comment/documents

Hi Brian - I'm reaching out because [we published a piece yesterday](#) on UVA's DEI staff.

We looked through the UVA payroll that was provided to us through an open records request.

We created a new doc with just DEI-related roles, which we linked to in the lede of the piece.

We saw in [the Washington Times piece](#) that you stated UVA has 55 DEI-related roles.

Can you please provide the list of which positions they are?

From the UVA payroll, we see 150 alone from the following departments:

- Equity Center
- Office of Diversity Equity and Inclusion
- Office of Diversity and Engagement
- Center for Diversity
- Diversity Office
- Diversity and Inclusion
- Inclusion and Diversity
- Diversity and Community Engagement

Thanks,

Rachel
