Willis Towers Watson (hereafter referred to as "WTW") is a member of a major international group of companies. In addition to the compensation received by WTW from insurers for placements of your insurance coverages, other parties, such as excess and surplus lines brokers, wholesalers, reinsurance intermediaries, underwriting managers and similar parties (some of which may be owned in whole or in part by WTW corporate parents or affiliates), may earn and retain usual and customary commissions for their role in providing insurance products or services to clients under their separate contracts with insurers or reinsurers. The compensation that will be paid to WTW will vary based on the insurance contract it sells. Depending on the insurer and insurance contract you select, compensation may be paid by the insurer selling the insurance contract or by another third party. Such compensation may be contingent and may vary depending on a number of factors, including the insurance contract and insurer you select. In some cases, other factors such as the volume of business WTW provides to the insurer or the profitability of insurance contracts WTW provides to the insurer also may affect compensation. Upon request, WTW will provide you with additional information about the compensation WTW expects to receive based in whole or in part on your purchase of insurance.
