Please see below statement from Assemblymember Jim Cooper:

"Before earning my rank as a Captain in the Sheriff's Department, I started at the age of 18 and spent the next 30 years protecting and serving the residents of Sacramento County. In 2014, I was elected to serve my community as a State Assemblyman. Understanding that I worked incredibly hard to earn my pension and now have been afforded an opportunity to give back to communities, I decided when I was elected to the Assembly to not accept my per diem, saving tax payers over \$195k in the last five years. As a representative, I plan to continue to not accept my per diem as an Assemblyman in the following years to come." - Assemblyman Jim Cooper (D-Elk Grove)
