ABOUT AMERICAN TRANSPARENCY

OPENTHEBOOKS.COM

EVERY DIME. ONLINE. IN REAL TIME.

We are the world's largest private database of public-sector expenditures. Captured \$6 trillion in public expenditures including all disclosed federal spending since 2001; 49 of 50 state checkbooks; and 23 million public employee salary and pension records from 50,000 public bodies across America.

Our aggressive transparency and forensic auditing has led to the assembly of grand juries, indictments, and successful prosecutions; congressional briefings, hearings, audits, subpoenas, and legislation; administrative and White House policy changes; and much more.

In 2020...

The President's Budget To Congress FY2021 included a first-ever chapter, "Stopping Wasteful and Unnecessary Spending," which was inspired by our oversight report, *Where's The Pork? A Study of \$600 Billion In Federal Grants*. Media coverage included *USA Today*, *The Wall Street Journal*, and *FOX News*. Included in the President's Budget was our report, *Use-It-Or-Lose-It - How The Federal Government Spent \$97 Billion In September 2018*. The President committed to stopping this wasteful phenomenon. Also, the budget cited our report on the National Endowment of the Arts as the principle reason to eliminate the agency.

In 2019...

Our *Top 82 U.S. Non-Profit Hospitals: Quantifying Government Payments & Financial Assets* report launched on *FOX News' Tucker Carlson Tonight* and *USA TODAY*. This report backstopped President Trump's two executive orders on healthcare price transparency by showing that wealthy charitable non-profit healthcare providers and their CEO's were making big profits. Colorado Governor Jared Polis (D) also cited this data in his state of the state address while arguing for price reforms.

In 2018...

Open The Books' *Mapping The Swamp, A Study Of The Administrative State* Media report launched on *FOX News' Laura Ingraham Show* and directly led to Representative Judy Hice's (R-GA) legislation on pension and bonus transparency (H.R. 2612). Furthermore, we briefed the Executive Office of the President, Office of Management & Budget regarding our policy ideas to drain the swamp.

In 2017...

The Tax Cuts And Jobs Act 2017, passed into law and included a claw-back tax on Ivy League-style, excessive university endowments. The *Boston Globe* cited our Ivy League, Inc. oversight report as a catalyst for the legislative provision.

In 2016...

We exposed the \$20 million luxury-art procurement program at the Department of Veterans Affairs, which forced a public apology from the V.A. Secretary and the adoption of new rules to stop the abuse.
