With all due respect, Chris, you are the spokesperson. Emily Matasar is the open records lawyer. I requested an answer from her. My request was for the original filings and until she confirms the production, my request is not closed. Emily?

Adam,

Yes, these reports were filed 'as originals' and on time with the Oregon Ethics Commission. Feel free to confirm with the Oregon Ethics Commission.

Hi Emily,

Are you going **on the record** saying this is what the Office of Governor submitted as "Client/Employer Lobbying Expenditure Report' (s) as **originals** in each of the respective quarters since April 2016? Your production certainly doesn't look like your official filings. This is your opportunity to be very clear on this issue!

Subject: Response to Your 1/18/18 Public Records Request (OGEC Lobbying Reports)

Hi Adam,

The Office of the Governor has received your January 18, 2018, public records request, which states, "Please provide an electronic copy of the last seven 'Client/Employer Lobbying Expenditure Report' (s) covering the time period of 4/1/2016 through 12/31/2017 as submitted by Office of Governor to the Oregon Ethics Commission in each respective quarter. This request is on behalf of American Transparency , a non-profit 501c3 organization and myself, Adam Andrzejewski, as a journalist and contributor at Forbes. Electronic copies are requested. This is not a commercial request. This is also a request for fee waiver, should any fees be imposed, as this information bears on the public business of the local and state governments in Oregon and will be used to inform citizens of the actions of their public officials, of their rights and responsibilities, of news and current or passing events, and for articles of opinion or features of interest to the public. The principal purpose of this request is to access and disseminate information regarding the health, safety, and welfare or the legal rights of the general public and is not for the principal purpose of gaining a personal or commercial benefit. Adam Andrzejewski, American Transparency, 200 S. Frontage Road, Suite 304 Burr Ridge, IL 60527."

You may view records responsive to your request at the following link: https://drive.google.com/open?id=1Adg-fxkZh9hxALb7_b_w6BfLJrLXk1O1

The Office of the Governor did not withhold or redact any records in this response. The quarter of each individual report is displayed as a bookmark in the PDF.

I am waiving the fees incurred in responding to this request because of the minimal time required, and am now closing it as complete.

Thanks,
Emily
